Fantasy Tower Defense game - Tower Defense fantasy defense game - tower defense fantasy defense game - strategy for devices on android. In it, the player is invited to be the leader of the kingdom, to defend it against attacks from foreign enemies and to lead it towards prosperity. The user will gather an army and to resist the forces not only of King Arthur, but also many hordes of various evil spirits. The whole castle will be checked for power the size of nine different races of enemies, from trolls and sofas to trained mercenaries and fire-breathing dragons. But the governor has something to do with the enemy, he has such units as knights, healers, archers and witches. They were all designed to erase the kingdom from unwanted guests, implementing a four-tiered system of leveling characters. Also they are able to master one of the four unique abilities. To help defend and specially designed structures, that can be improved. Fantasy Defense Game - a great strategy game with fantastic graphics and animated characters, addictive gameplay and a unique atmosphere of middle age. For fans of the genre, and simple players will appeal. uploaded by bdlxjdbbbjdjssbbd Use HappyMod to download Mod APK with 3x speed.
